## کامل ناظر

Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair, viewing a screen displaying a target. The target is a small circle. The subject's hand is positioned at the starting point, and the distance between the starting point and the target is the reach distance. The subject is instructed to move their hand from the starting point to the target. The distance between the starting point and the target is the reach distance. The subject is instructed to move their hand from the starting point to the target. The distance between the starting point and the target is the reach distance.
